About Us

Skilltec Training, hereafter called Skilltec, provides Business-to-Business training courses in our training centres, on-site, and online. We take the issues of security and data protection very seriously and adhere to guidelines published in the Data Protection Act 2018 and UK General Data Protection Regulations. For full details on how we do this please see [our privacy policy](#).

About this Policy

From time to time, Skilltec may photograph or take videos of consenting delegates during arranged training courses with us that are held onsite, virtually, or at one of our Training Venues. We will always ask delegates for clear verbal consent before doing this and we will ensure that any delegates who do not wish to be photographed or recorded are not featured.

Upon receiving verbal consent from delegates, Skilltec will have permission to take or publish photographs or videos of delegates enjoying their training, for art and promotional purposes unless advised otherwise by the individual, company, or organisation who has paid for the delegate to attend.

How we use Photographs and Videos

Photographs and videos may be used for the following purposes by Skilltec:

- To share on our official Social Media platforms such as LinkedIn, Facebook, and Instagram
- To share on our website: <https://www.skilltec.co.uk/>
- To share in official newsletters emailed to customers who have opted into Marketing communications
- To share in internal newsletters for our employees
- To use in promotional materials advertising our courses

Outside of these limited uses, Skilltec will never sell photographs or videos, or give permission to any other third parties to use these.

Revoking Consent

Consent, once granted, may be revoked at any time by contacting Skilltec in writing or via email at marketing@skilltec.co.uk.

Where possible, photographs will then be removed from the places of publication by Skilltec within two weeks and will no longer be used in new publications. Permission can be revoked by the delegate themselves, or by the individual, company, or organisation who has paid for the delegate to attend.
