Microsoft Office Skills
Course Bundle

Microsoft Office needs no introduction. The use of staple applications such as Excel and PowerPoint are central to the success of organisations in every industry, with over one billion monthly users worldwide.

The **Microsoft Office Skills Course Bundle** is a new and flexible way to complete our most popular IT courses. Our experienced trainers embed learning with activities and free ongoing post-course support.
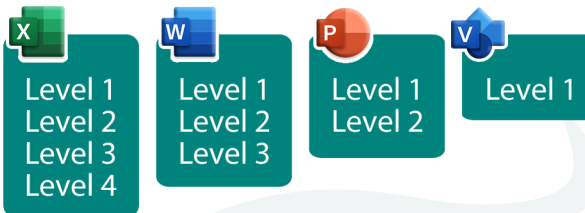

How it works

Our Microsoft Office Skills Course Bundle centres around attending **four courses** at any level on the following Microsoft Office applications:

- Microsoft Excel
- Microsoft Word
- Microsoft PowerPoint
- Microsoft Visio

Choose the level that you want to study at based on your existing experience, or study multiple levels on one application to become your organisation's resident Excel Expert or Word Wizard!
