

# Project Management Course Bundle

Did you know that **77% of high performing teams** use project management software to meet their project goals? As a Microsoft Partner we deliver expert training on Microsoft Project alongside our excellent suite of business skills courses.

Our **Project Management Bundle** will help you streamline your processes with Microsoft Project and develop soft skills to help you better collaborate, work safely and deliver on time.

## Three Core Courses

The Project Management Course Bundle centres around attending **three core courses**:

- **Microsoft Project Level 1**
- **Microsoft Project Level 2**
- **Project Management Fundamentals**

These courses will equip you with the knowledge to utilise specific Microsoft systems and develop your Project Management Skills.

You will then select **two optional courses** to focus on the specific needs of your project team.

## Two Optional Courses

- Microsoft Project Level 3 or Level 4
- Time Management
- Report Writing
- Safety Management Fundamentals
- Writing Risk Assessments
- Power BI Fundamentals
- Power BI Level 2
